Instruction for Students with Disabilities

It is the policy of the District to provide a free appropriate public education to all public school students with disabilities. Students with disabilities are defined as those students who have one of the categorical disabilities as enumerated in the Missouri State Plan for Part B of the Individuals with Disabilities Education Act (IDEA) and who also require special education services or who have a mental or physical impairment that substantially limits one or more major life activities as defined by Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act and who require accommodations or special education and related services.

The District will provide special education and/or other services to students with disabilities in accordance with applicable law, including the IDEA, and its amendments, Section 504 of Rehabilitation Act of 1973, §162.670-.995, RSMo., and Missouri's State Plan for Part B. For appeal procedures regarding identification, evaluation or educational placement of a student under Section 504, refer to Regulation 2110 - Equal Education Opportunity.
